TO WHOM IT MAY CONCERN

Certified that the organic product **GREEN -AQ** (product of Green Biotech Eco Solutions Pvt. Ltd, Lamsang Laingamkhul, Manipur) was used in our District Level Fish Seed Farm, Pangei. And we have seen it is very effective to the farm in respect of growth of fish, decrease mortality rate of spawn and also improve water quality. So, this product is very useful for our future use to produce high yield. The product may be recommended for aquaculture practice.
